HORSEVILLE
riding academy

Everyone Is Welcome

Whether you are an absolute beginner or dream of becoming a showjumping or dressage champion, we provide the right lesson programme for you.

LEVEL-1
Beginner – For people with no or little riding experiences. Horses are on a lunge lead so the rider can focus on the foundational skills of balance, walk and trot.

LEVEL-2
Transitional – For riders who have completed level 1 or already have some experience. Riders work on the 3 basic paces with independent control of the horse (no lead).

LEVEL-3
Advanced – Riders develop their flat work skills further in the big arena moving into dressage and/or jumping depending on their interest.
